

**PINESTEAD REEF BOARD OF DIRECTORS
CANDIDATE OPPORTUNITIES
2021-2022**

This November there will be three (3) openings on the Pinestead Reef Owner's Association Board due to the term expirations of three current Directors. Secretary Jennifer LaPointe, Director William Adams, and Director Bill Carpenter have indicated the desire to run again for another 3-year term. We encourage any owner who is in good standing with the resort with interest in these openings to submit an application. The application is provided both within this newsletter (see reverse of this page) and online at www.pinestead.com. Completed applications are to be submitted by September 30, 2021. All applications will be presented without editing for inclusion in the upcoming newsletter and on the website. Please note; any additional documents other than the candidate application will not be reproduced for distribution.

The Board of Directors governs Pinestead Reef Resort. Working closely with our management team, the Board is provided with the ongoing status of resort projects as well as daily operations. Together, with input from our owners along with other guests, the Board is kept apprised of maintenance and operational issues requiring attention. Annually, the Board reviews the fiscal status of the resort and establishes a budget for the upcoming year.

The Board meets between three and five times a year, which requires approximately 40-50 hours of volunteer service per year. Travel expenses are reimbursed for Directors. Several sub-committees are in place to address specific topics related to Building and Grounds, Finances, Personnel, Marketing, Long Term Planning and Board Nominations. If you cannot commit time to serve as a Director, but have an interest in participating on these committees, please contact any current Director to see how your skills might be utilized. We are fortunate to have owners who are comprised of a diverse background and offer quality expertise. Your continued participation assures a well-run resort and a solid future for its owners.

Please submit completed candidate applications by September 30, 2021 to the attention of:

**Nominating Committee
Pinestead Reef Resort
1265 US-31 North
Traverse City, MI 49686**

Thank you for your continued interest in the Pinestead Reef Resort!

All owners are invited to attend the
